

CEMATRIX Announces \$6.2 Million Increase in Contracts

Calgary, Alberta – Jan 3, 2024 – CEMATRIX Corporation (TSXV: CVX) (OTCQB: CTXXF) ("CEMATRIX" or the "Company") a North American leading manufacturer and supplier of technologically advanced cellular concrete products is pleased to announce that it has signed \$6.2 million in new contracts, bringing its total contracts announced since the beginning of the fiscal 2023 year to \$63.3 million.

“These new contracts add to the momentum built throughout the year which has delivered record growth in 2023 for CEMATRIX,” stated Jeff Kendrick, CEMATRIX President and CEO. “We continue to safely and efficiently execute the backlog that we have developed over the past few years, and we continue to maintain and build our backlog organically with a healthy mix of repeat business and new customers.”

“The majority of the \$6.2 million in new contracts are new projects, not previously included in Contracts in Process, and includes a \$3.4 million wharf backfill project in the Gulf States and a \$1.3 million fill project in the Northeast U.S. Each of these projects are scheduled to be completed in 2024.”

“After the change related to these new contracts, our backlog remains strong at approximately \$94.9 million as of December 31st, 2023.”
