CEMATRIX Corporation Secures \$1.3 million in Additional Contracts

Calgary, Alberta – July 22, 2015: CEMATRIX Corporation (TSXV: CVX) (the “**Corporation**” or the “**Company**” or “**CEMATRIX**”) is pleased to announce that its wholly owned subsidiary, CEMATRIX (Canada) Inc. has secured another \$1.3 million in contracts, in aggregate, for infrastructure projects in Canada and the United States. This year’s total contracted work is now \$12.4 million, of which \$1.0 million is slated for 2016.

“CEMATRIX continues to land a record number of contracted sales and our backlog is significantly ahead of the prior year, which stood at \$4.5 million at this time in 2014. Furthermore, our diversification into infrastructure markets, which started after the economic collapse in 2008/9 is beginning to pay dividends” stated Mr. Kendrick, President and CEO of CEMATRIX. “Management believes that we are just starting to scratch the surface of this robust market.”

CEMATRIX is an Alberta corporation with its head offices in Calgary, Alberta. The Corporation, through its wholly owned subsidiary, is a manufacturer and supplier of technologically advanced cellular concrete products with applications in a variety of markets including oil and gas construction and infrastructure construction. Cellular concrete provides a cost and labour saving solution for various construction applications. Applications for cellular concrete include tunnel grouting; bridge abutment and retaining wall backfill; insulation of shallow utilities, roads and runways; insulation and/or structural foundations for tank bases and facilities; and as a floating base over weak and unstable or seismic prone soils, for roads and other types of infrastructure.
