PRESS RELEASE

CEMATRIX Corporation Announces Appointment of a Vice President

Calgary, Alberta – March 17, 2010: CEMATRIX Corporation (TSXV: CVX) (the “Corporation”) is pleased to announce that it has, subject to all regulatory approvals, including the approval of the TSX Venture Exchange Inc., appointed Steven Bent to the position of Vice President of the Corporation.

Mr. Bent is currently the Vice President of Sales and Marketing for CEMATRIX (Canada) Inc., a wholly owned subsidiary of the Corporation, a position that he has held for 10 years. Mr Bent has over 25 years of sales management experience.

CEMATRIX is an Alberta corporation with its head office in Calgary, Alberta. The Corporation, through its wholly owned subsidiary, is a manufacturer and supplier of technologically advanced cellular concrete products with applications in a variety of markets, including oil and gas construction and infrastructure construction. Cellular concrete provides a cost and labour saving solution as a replacement for rigid and other insulating materials in frost-susceptible or permafrost conditions. Cellular concrete is also used in void filling situations and as a replacement for granular fills and weak or unstable soils.

Neither the TSX Venture Exchange nor its Regulation Service Provider (as that term is defined in the policies of the TSX Venture Exchange) accepts responsibility for the adequacy or accuracy of this News Release.
