PRESS RELEASE

CEMATRIX Corporation Announces New Orders

Calgary, Alberta – August 16, 2011: CEMATRIX Corporation (TSXV: CVX) (the “**Corporation**”) is pleased to announce that its wholly-owned subsidiary, CEMATRIX (Canada) Inc., has received additional purchase orders and/or contracts in the amount of CDN \$1.3 million for the supply of cellular concrete for new oilsands and infrastructure projects. This brings the total contracted sales for 2011 to CDN \$8.0 million, all of which are currently scheduled for completion in 2011.

CEMATRIX is an Alberta corporation with its head offices in Calgary, Alberta. The Corporation, through its wholly owned subsidiary, is a manufacturer and supplier of technologically advanced cellular concrete products with applications in a variety of markets, including oil and gas construction and infrastructure construction. Cellular concrete provides a cost and labour saving solution as a replacement for rigid and other insulating materials in frost-susceptible or permafrost conditions. Cellular concrete is also used in void filling situations and as a replacement for granular fills and weak or unstable soils.
