### **PRESS RELEASE**

#### **CEMATRIX Corporation Announces New Order – First U.S. Project**

**Calgary, Alberta – February 7, 2011:** CEMATRIX Corporation (TSXV: CVX) (the “**Corporation**”) is pleased to announce that its wholly-owned subsidiary, CEMATRIX (Canada) Inc., has received a binding purchase order in the amount of \$1.47 million USD for the supply of engineered fill and tunnel fill for a project located in Chicago, Illinois. This brings the total contracted sales for 2011 to \$3.1 million CDN, most of which relate to infrastructure applications.

CEMATRIX is an Alberta corporation with its head offices in Calgary, Alberta. The Corporation, through its wholly owned subsidiary, is a manufacturer and supplier of technologically advanced cellular concrete products with applications in a variety of markets, including oil and gas construction and infrastructure construction. Cellular concrete provides a cost and labour saving solution as a replacement for rigid and other insulating materials in frost-susceptible or permafrost conditions. Cellular concrete is also used in void filling situations and as a replacement for granular fills and weak or unstable soils.
