PRESS RELEASE

CEMATRIX Corporation Announces New Orders

Calgary, Alberta – May 9, 2011: CEMATRIX Corporation (TSXV: CVX) (the “**Corporation**”) is pleased to announce that its wholly-owned subsidiary, CEMATRIX (Canada) Inc., has received additional purchase orders and/or contracts in the amount of CDN \$1.4 million for the supply of cellular concrete for new infrastructure projects, including an engineered fill project at the Reagan Airport in Washington D.C. This brings the total contracted sales for 2011 to CDN \$5.3 million.

CEMATRIX is an Alberta corporation with its head offices in Calgary, Alberta. The Corporation, through its wholly owned subsidiary, is a manufacturer and supplier of technologically advanced cellular concrete products with applications in a variety of markets, including oil and gas construction and infrastructure construction. Cellular concrete provides a cost and labour saving solution as a replacement for rigid and other insulating materials in frost-susceptible or permafrost conditions. Cellular concrete is also used in void filling situations and as a replacement for granular fills and weak or unstable soils.

Neither the TSX Venture Exchange nor its Regulation Service Provider (as that term is defined in the policies of the TSX Venture Exchange) accepts responsibility for the adequacy or accuracy of this News Release.
