# CEMATRIX Announces
# $8.8 Million in New Contract Awards

## *$43.2 Million YTD in New Contract Awards*

**Calgary, Alberta – September 21, 2026 – CEMATRIX Corporation** (TSX: CEMX) (OTCQB: CTXXF) ("**CEMATRIX**" or the "**Company**"), a specialty construction contractor and one of the premier suppliers of cellular concrete in Canada and the United States, today announced that it has won $8.8 million in new contract awards.

**New Contract Award Details:**

The awards consist of executed contracts and contracts currently in process. Some of the work related to these awards is expected to be completed in 2026 with the majority expected to be completed in 2027 or later. The larger awards include:

- A grouting application for a tunnel project;
- A load reducing fill application for a bridge abutment repair project;
- The remaining awards are small to mid-sized projects for lightweight fill applications in Canada and the US.

These project awards are a testament to the trust our customers place in CEMATRIX's sales and operations teams to reliably deliver quality solutions for complex geotechnical construction projects. Bidding activity remains strong, and our sales pipeline continues to provide visibility for future growth.

"We are committed to delivering value to our customers through consistent execution and cost-effective cellular concrete solutions that address their geotechnical challenges. Each successful project enhances our reputation and contributes to generating new business opportunities," stated Mr. Randy Boomhour, President and CEO of CEMATRIX Corporation.
